

Control

You made 25 mistakes today.

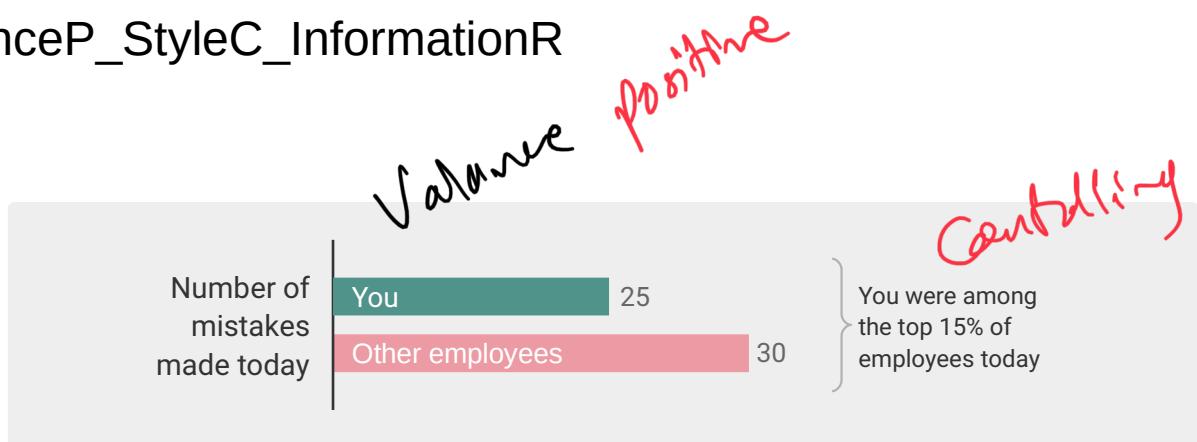

ValenceP_StyleC_InformationN

You did really well today, just as you should. Remember, you should maintain this performance in the future, otherwise we cannot reduce production costs!

Information Nonverbal

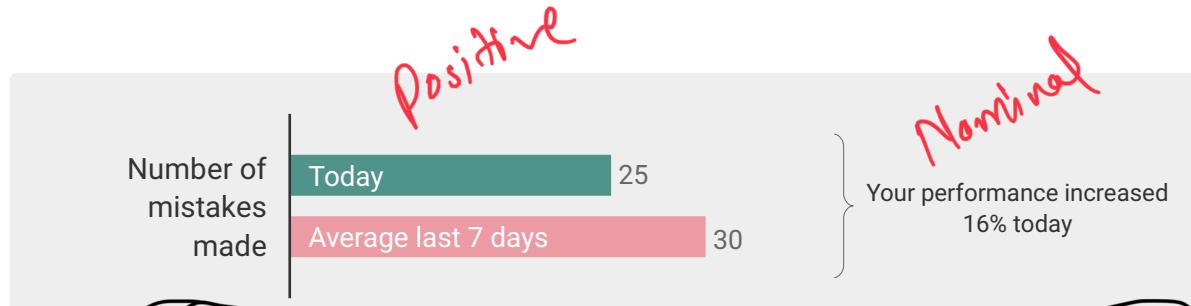

ValenceP_StyleC_InformationR

You did really well today, just as you should. Remember, you should maintain this performance in the future, otherwise we cannot reduce production costs!

Relefne

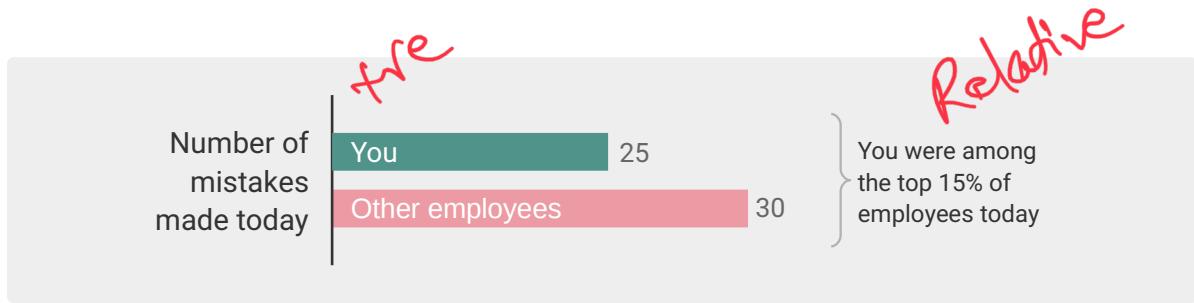

ValenceP_StyleI_InformationN

You did really well today, congratulations! Mistakes cost energy, and given current energy prices, fewer mistakes will help us reduce production costs. Keep up the good work.

You did really well today, congratulations! Mistakes cost energy, and given current energy prices, fewer mistakes will help us reduce production costs. Keep up the good work.

Information

ValenceN_StyleC_InformationN

You did very poorly today. This should not have happened.
Remember, you should not repeat this poor performance, or we cannot reduce production costs!

Controlling

ValenceN_StyleC_InformationR

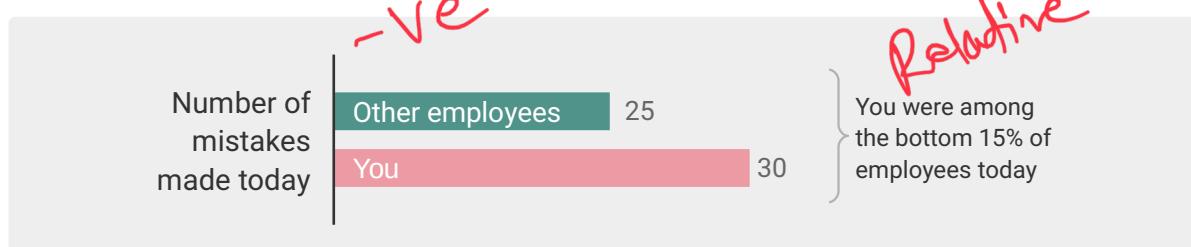

You did very poorly today. This should not have happened.
Remember, you should not repeat this poor performance, or we cannot reduce production costs!

Controlling
